## Parent Participation

As a cooperative preschool, each family works to support the school. We must have at least 3, preferably 4, parent-helpers in the classroom each day. This means each family must sign up for at least 2-3 days per month. The total enrollment and number of class days each month will dictate exactly how many days each family must help. We also ask that parents participate in at least 3 fundraisers, take a job in the school, participate in one theme room change during the year, and be part of one committee.

Who will be doing the parent-help days? \_\_\_\_\_

If you foresee any difficulty meeting these obligations, please explain (for example, commute, pregnancy, work or school schedule, or needs of siblings)\*.
